

Instructions for Map of Europe

Use the black and white source map and the textbook atlas in my classroom to draw in and label the following on the region outline map provided. Color scans of the textbook atlas are at www.tangleworld.org on the class blog. Use pencil to label first, then use black ink pens to make the labels and lines stand out. Finally, use color pencils to fill in color. You will need **TODALS**.

Countries (44) Draw in boundaries, must be written in UPPER CASE.

Albania	Andorra	Austria	Belarus	Belgium	Bosnia & Herzegovina	
Bulgaria	Croatia	Cyprus	Czech Republic	Denmark	Estonia	Finland
France	Germany	Greece	Hungary	Iceland	Ireland	Italy Kosovo
Latvia	Liechtenstein	Lithuania	Luxembourg	Macedonia	Malta	Moldova
Monaco	Montenegro	Netherlands		Norway	Poland	Portugal
Romania	Serbia	Slovakia	Slovenia	Spain	Sweden	Switzerland
Ukraine	United Kingdom		Vatican City			

Cities (12) Draw a dot (or a star for a capital) to locate city and label in lower case (Proper Nouns).

Paris	Berlin	Madrid	London	Stockholm	Kiev	Rome
Athens	Lisbon	Helsinki	Oslo	Warsaw		

Mountain Ranges (5)

Alps Mtz. Pyrennes Mtz. Carpathian Mtz. Iberian Mtz. Balkan Mtz.

Mountain (1) Use a triangle symbol

Mt. Blanc

Landforms (2)

North European Plain Crimea (this is a peninsula)

Rivers (11) Use a blue color pencil to draw in and label in lower case

Danube River	Elbe River	Rhine River	Rhone River	Tagus River	Thames River	Seine River
Dnieper River	Ebro River	Loire River	Vistula River			

Water (11) Water is always colored blue, label in lower case.

Atlantic Ocean	Baltic Sea	Mediterranean Sea	Black Sea	Adriatic Sea	Sea of Azov
North Sea	Aegean Sea	Bay of Biscay	English Channel	Strait of Gibraltar	

Absolute Location (2) Draw in and label the following latitude and longitude:

Arctic Circle 66.5° N Prime Meridian

Coloring Instructions (Do this after you have used your black ink pen to finish up labels. Don't forget your map standards for the map.) Color each country a different color. All water is blue.
