Homework #4.3 - Early Civilizations of South Asia

Read the source reading on pages 482-485 of the textbook.

Write the questions and answer them on your piece of notebook paper:

- 1) Where did the early civilizations in this area develop?

- 2) Why do you think they developed there?

- 3) What evidence does the reading give that indicates the organization level of the Harappan civilization?

- 4) What were the two prominent urban areas?

- 5) From what direction did the Aryans migrate?

- 6) What are examples of cultural diffusion that occurred because of the migration?

- 7) What is a caste system?

- 8) Based on the reading, draw a timeline for the region below with at least two events.
