

Instructions for Map of Israel/Palestine

Use the source map on my website at www.tangleworld.org to draw in and label the focus map of Israel and Palestine. Use pencil to place labels and specific details first, then use black ink pen over the pencil, and color pencils to fill in color. Apply the Map Standards on page 3 of your interactive notebook.

Countries (5) Countries must be written in UPPER CASE.

Egypt Israel Jordan Lebanon Syria

Occupied Territories (3) Should be written as proper nouns. Color these yellow.

Golan West Bank Gaza
