You will need **TODALS** (look on page 25 of your interactive notebook or the "class resources" of my website at www.tangleworld.org)

Color the map. Use only **color pencils**, no markers. Alternate the color of each country so that we can tell the difference between each. You can reuse colors. Blue is reserved for water.

Please follow the **map standards** (see page 32 of your interactive notebook or the "class resources" of my website at www.tangleworld.org)
