

Instructions for Map of Southwest Asia and North Africa

Use the source map, the class blog at www.tangleworld.org or the atlases in my classroom to draw in and label the following on the region outline map provided. Start with pencil, then use black ink pens to label. Use color pencils to fill in color. All of the white space must have color. See your map standards on page 2 of your Interactive Notebook for my expectations. You will need **TODALS**.
