

# Table Community Roles

Group: \_\_\_\_\_ Period: \_\_\_\_\_

## Facilitator \_\_\_\_\_

This student is responsible for leading all team discussions, keeping the group on task for each assignment, and ensuring that everybody assumes his or her share of the work involved. He/she must also be certain that everyone benefits: everyone should have the opportunity to learn, to participate, and to earn the respect of their teammates.

## Materials Manager \_\_\_\_\_

This student picks up and distributes all materials passed out in class for the team. Books, atlases, dictionaries, etc are collected and passed out by this team member. He/she also distributes all station materials and helps return graded assignments. At the end of the class, he/she makes sure that all materials are back in place.

## Homework Checker \_\_\_\_\_

This student is responsible for double checking the quality of the team's homework heading and title. They also remind members of the points they will lose if the work isn't correct. They will sign the interactive notebooks of team members who turn in work.

## Recorder/Reporter \_\_\_\_\_

This student will record the group's results and represent their group by speaking about the group's activities or conclusions.

## Timekeeper \_\_\_\_\_

This student is responsible for keeping the group aware of time constraints for any activities. With the Facilitator, he/she helps the group remain on task, consulting with other teams when needed. He/she is also responsible for leaving the team's work area in good condition and assuming the role of any missing group members, if no fifth member is available to fill in.
